My name is Kimberly Holmes, and I am so excited to be working with you and walking with you through this free mini course on how you can get your spouse back. I'm the CEO of marriage helper. Maybe you've seen me on YouTube or some other places, but I cannot wait to really share with you the things that we have seen work in the lives of hundreds, of thousands of people to bring hope truth and reconciliation to their marriage. Now, this free mini course is not a 100% guarantee, and it's not a magic pill, but what I can promise you is that if you actually go through all of the material until the very end and you begin to make the changes that I encourage you to make in your life, then you will begin to see change.

Now, I can't promise that you'll begin to see change in your spouse because at the end of the day, your spouse has free will to choose whatever they end up choosing. But what I can guarantee is that you will know exactly what you need to do, that you will know what works in making a relationship work, and that you will be able to have the calmness and confidence to make decisions and have conversations with your spouse, with confidence. And with grace, I look forward to sharing all of this with you and to hearing how it has made a difference in your life. Spoiler alert, you can use all of the things that I'm going to be teaching you in this free mini course with your kids, with your parents, with your crazy neighbor next door, because they are all relationship principles that work. So I'll see you in the next video where we're going to get started. Remember go all the way to the end. I'll see you soon.
